CHRONOLOGY OF EVENTS RELATING TO TRADITIONAL HAWAIIAN HEALING PRACTICES SINCE 1985

The following chronology is an attempt to identify major public policy events around which discussion of traditional Native Hawaiian healing practices has occurred. It is not a comprehensive listing of all activities that have occurred during the past two decades around traditional Hawaiian healing practices.

1985

December 1985: The Native Hawaiian Health Research Consortium under ALU LIKE releases its *E Ola Mau – Native Hawaiian Health Needs Study*, which identifies the importance of culture and traditional healing practices for addressing health issues and improving health and wellness in the Native Hawaiian community.

1986

June 16, 1986: The organization *E Ola Mau* is formed by Dr. Kekuni Blaisdell and later incorporated under Dr. Chiyome Fukino as its first president to bring together Native Hawaiian traditional practitioners and western-trained health professionals.

October 11, 1986: The *Office of Hawaiian Affairs (OHA)* along with ALU LIKE and *E Ola Mau* sponsor ‘Aha Kupuna Lā‘au Lapa‘au with guidance from Uncle Harry Mitchell. This was one of the first state gatherings of traditional practitioners and was held on O‘ahu.

1988
February 14-17, 1988: OHA sponsors the second ‘Aha Kupuna Lā’au Lapa’au gathering at the Keauhou Beach Hotel in Kailua-Kona, Hawai‘i. This was the second such gathering and attended by more than 40 participants.

The term “traditional Native Hawaiian healer” means a practitioner-
(A) who-
   (i) is of Hawaiian ancestry, and
   (ii) has the knowledge, skills, and experience in direct personal health care of individuals, and

(B) whose knowledge, skills and experience are based on a demonstrated learning of Native Hawaiian healing practices acquired by-
   (i) direct practical association with Native Hawaiian elders, and
   (ii) oral traditions transmitted from generation to generation.

The Act goes on to state:

Nothing in this Act shall be construed to restrict the authority of the State of Hawaii to license health practitioners (42 USC 11708).

The Act exempts Native Hawaiian practitioners from state licensure for practicing medicine for two years until July 1, 2002, to enable time for public discussions and input.

The Act is codified in HRS 453-2(C) License required; exceptions:

Nothing herein shall prohibit traditional Hawaiian healing practices by traditional native Hawaiian healers, both as recognized and certified as such by the panel convened by Papa Ola Lōkahi
October 29-31, 1998: POL convenes a gathering of respected Native Hawaiian *kupuna kahuna* of traditional healing practices and their *kāko’o* to discuss Act 162 in Kailua-Kona, Hawai‘i. Those master practitioners (and their *kāko’o*) invited to attend are:

October 31, 1998: This group develops the **KAHUNA STATEMENT** for the legislature. It states:

**WE, THE UNDERSIGNED KUPUNA PRACTITIONERS OF HAWAIIAN HEALING HAVE COUNSELED AND AGREE:**

1. **THAT WE ARE ONLY INSTRUMENTS IN THE HEALING PROCESS AND THAT THE TRUE SOURCE OF HEALING COMES FROM THE ALMIGHTY, KNOWN AS AKUA, ‘ŌI, OR GOD. IT IS THIS SOURCE THAT GIVES US OUR CALLING TO PRACTICE;**

2. **THAT THE LEGISLATURE OF THE STATE OF HAWAII IS NOT KNOWLEDGEABLE IN THE HEALING TRADITIONS OF THE HAWAIIAN PEOPLE; AND**

3. **THAT WHILE WE ARE GRATEFUL THAT THE LEGISLATURE HAS PASSED S.B. 1946, THE BLOOD QUANTUM, LICENSURE, AND CERTIFICATION ISSUES RAISED IN THE LEGISLATION ARE INAPPROPRIATE AND CULTURALLY UNACCEPTABLE FOR GOVERNMENT TO ASCERTAIN. THESE ARE THE KULEANA OF THE HAWAIIAN COMMUNITY ITSELF THROUGH KUPUNA WHO ARE PERPETUATING THESE PRACTICES.**

**FURTHER, WE AGREE THAT KUPUNA HENRY AUWAE SERVES AS CHAIRMAN OF THIS COUNCIL OF MASTER PRACTITIONERS AND HAS THE CONSENT OF ITS MEMBERS TO ADDRESS FUTURE ISSUES RELATED TO THIS LEGISLATION.**
• Master practitioner Kahu David Kaalakea of Maui ua hala December 9th.

1999

(i) promote more discussion on each of the islands through ‘aha; and

(ii) be accountable for legislation regarding Act 304.

POL contracts Kumu Kawaikapu Hewett to conduct kūkākūkā sessions with kūpuna statewide on issues surrounding Act 304. Kūpuna on all islands are interviewed.

2001

January 25, 2001: SB1390 is introduced into the State Legislature, which recognizes the KAHUNA STATEMENT and moves to initiate a
process by which Native Hawaiian practitioners would be permanently exempt from licensure with the Native Hawaiian communities themselves serving as the appropriate reviewing authority. This legislation sets in motion a process to exempt “qualified” Native Hawaiians practitioners from licensure in the State of Hawai‘i. The legislation (1) enables POL to form a panel or panels of traditional Native Hawaiian healers to address issues and recommend legislation relating to the permanent implementation of the purposes of this Act, (2) adds composition requirements of the panel(s) convened by POL, and (3) exempts practitioners from liability under medical licensing law.

July 2, 2001: SB1390 passes as **Act 304**.

### 2002

HRS 453-2(c) is amended to read:

*Nothing herein shall prohibit traditional Hawaiian healing practices by traditional native Hawaiian healers, both as recognized and certified as such by a panel convened by Papa Ola Lōkahi. October 3rd: The State Attorney General responds indicating that:

(i) **POL** is not a State board and not eligible to counsel from its offices (POL is a private entity);
(ii) Panels are state boards and are “eligible to seek advice and counsel from the Department of the Attorney General”; and

(iii) Panels are subject to HRS Chapters 91 and 92 requirements.

December 4th: POL refines its recognition process in accordance with Act 304 for an organization and/or an agency wishing to provide traditional Hawaiian healing practices to their clients. The process requires that the requesting organization/agency submit a letter of request along with documenting evidence for recognition of its panel to POL. POL upon review then recognizes by letter the panel as being constituted in accordance with Act 304 if it is in fact in compliance with the act.

1. be independent;
2. not be a component of any state branch;
3. not be subject to chapters 91 and 92, HRS; and
4. develop its own policies, procedures and rules necessary or appropriate to certify traditional Hawaiian healers.

HRS 453-2(c) is amended to read:

*Nothing in this chapter shall prohibit healing practices by traditional Hawaiian healers engaged in traditional native Hawaiian healing practices, both as recognized and certified as such by any kupuna council convened by Papa Ola Lōkahi. No person or organization involved with the selection of kupuna council members, the convening of a kupuna council, or the certification process of healers under this subsection shall be sued or held liable for any cause of action that may arise out of their participation in the selection, convening, or certification process. Nothing in this chapter shall limit, alter, or otherwise adversely affect any rights of practice of traditional Native Hawaiian healing pursuant to the Constitution of the State of Hawaii.*

May 5-7, 2006: Traditional Healers ‘Aha is held at Waimea, Kaua‘i hosted by Ho‘ōla Lāhui Hawai‘i Native Hawaiian Health Care

Papa Ola Lōkahi wishes to thank all who helped put this brief chronology together. Without their generous sharing, this chronology would not have been possible. Other gatherings have occurred throughout the years and continue today but this effort is an attempt to list those major ones which have focused on certification and licensure.
